A Book That Offers Insights Into Linking Patterns Of Salvation From Mosaic Law To The New Testament

JACKSONVILLE, Fla. - Nov. 25, 2020 - [PRLog](#) -- Now published in paperback. Illustrated with personal stories of humor and drama, *The Bridge of Hearts* will appeal to readers who are searching for answers about how to walk with God, how to reconcile damaged relationships with others, or how to discover what God has done for us through Christ.

"Following Christ has everything to do with removing walls and building bridges in the spiritual realm." —Johnny Dudley

Citing God's pattern, *The Bridge of Hearts* highlights an essential scriptural truth about following Christ: our works are not about earning God's love; they are about returning God's love.
